

Le 86e Congrès mondial des bibliothèques et de l'information de la Fédération internationale des associations de bibliothécaires et d'institutions (86e IFLA WLIC) - et tout premier congrès virtuel - a eu lieu du 17 au 19 août 2021.

Le 86e IFLA WLIC sur le thème “Travaillons ensemble pour l'avenir” a attiré plus de 2,750 personnes représentant 125 pays à plus de 160 sessions, avec plus de 90 heures de contenu au total, et 11,461 commentaires dans le chat. Les sessions se sont concentrées sur la manière dont les bibliothèques peuvent rejoindre et contribuer à un partenariat pour résoudre deux problèmes clés: Intégration culturelle dans le développement commun et l'action sur le changement climatique, en s'appuyant sur les efforts de la bibliothèque pour “Inspiration - Inclusion - Engagement – Innovation – Durabilité”.
