The exhibition presents a comprehensive introduction about the life, revolutionary career, ideology, morality and lifestyle of President Ho Chi Minh during the 79-Spring journey. This is an opportunity for readers and people from all over the country to learn more about President Ho Chi Minh since his childhood until his endless years searching for a way to save the country, and returned to lead the Vietnamese revolution to fight for the government, gave birth to the Democratic Republic of Viet Nam which is now the Socialist Republic of Viet Nam - the first industrial and agricultural state in Southeast Asia.

The exhibition also introduces many documents related to the core contents of the Testament, the achievements that our Party and people have achieved in protecting and unifying the country, constructing the economy, developing the society after 50 years implementing His testament. Especially, the exhibition showcases the contents of President Ho Chi Minh's autograph

in the
spiritual
revised and supplemented Testament, which addresses the key issues that our Party and
people must grasp to
ensure the completion of the revolutionary
career
in each particular stage,
at the same time, the exhibition reflects in a most focused manner the thoughts, morality and
affection of Him for the people of Viet Nam and international friends.

The legacy that President Ho Chi Minh left for life is the "Ho Chi Minh Era" with the
spirit of independence, resilience, and the historical enduring Testament of Him will always be
the inspiration for our whole Party and people to continue implementing well the Testament,
building our Party more and more clean and strong, our country is increasingly developed and
prosperous.
